HISTORY OF THE EVENT

As Western Australia's longest-standing and most beloved community fun run, the Chevron City to Surf for Activ has a long history. Commencing with the 4km and 12km routes, and a mere 500 participants in 1975, it has since evolved into a hallmark on the WA sports calendar, with nearly 50,000 participants at its peak in 2013.

Beyond it being a drawcard to fitness fanatics and families, the Chevron City to Surf for Activ carries a profound philanthropic mission. It stands as Activ's premier annual fundraiser, the proceeds of which are devoted to improve the lives of thousands of individuals living with disability.
